

## Graduate reminder

1. The graduate must be approved by proposal and thesis defense before graduates from IPUG. The interval between proposal defense and thesis defense is three months and the examinee must apply one month in advance to the IPUG office. The deadline for **proposal defense is on the 30th of April, and the 30th of July for thesis defense**. (In fall semester: The deadline for proposal defense is on October 31th, and January 31th for thesis defense.)

※For final defense, please hand in 2 copies of application forms with autograph.

※Students who are enrolled in the master's program or doctoral program must complete the Academic Research Ethics Education Course (<https://ethics.nctu.edu.tw>) and obtain at least a passing grade. Students who have not completed the course are not allowed to apply for oral defense.

※Students must submit their thesis to the NTPU Turnitin Originality Check System to check the originality and plagiarism. And the originality check report must be submitted to the student's supervisor(s) and the thesis defense committee before the thesis oral defense.

2. After the thesis defense
  - a. Please consult with your supervisor and discuss the thesis revision schedule.
  - b. Make sure the thesis is verified, then the school-leaving procedures can be started. (You are not allowed to return home before finishing your thesis and school-leaving procedures)
  - c. Deadline of school leaving for fall: Early of September, spring: Mid-February, please refer to the official school calendar.
  - d.
