### Regulations for Degree Name and Conferral

Approved at the 55<sup>th</sup> Academic Affairs Meeting for the 2020 Academic Year

Article 1 These Regulations are established with respect to the National Taipei University (NTPU) Academic Regulations.

Article 2 A master's degree will be conferred under this Program.

Article 3 The name of degree conferred under this Program shall be “管理科學碩士” in Traditional Chinese and “Master of Management Science” in English.

Article 4 Students enrolling on this Program must comply with Article 72 of the NTPU Academic Regulations and fulfill the graduation requirements pertaining to this Program. Students must pass the master's degree oral examination conducted by the examination committee before they are qualified for degree conferral. Regulations governing the degree examination of this Program shall subject to the related NTPU regulations.

Article 5 Matters not provided for in these Regulations shall be subject to the NTPU Academic Regulations and related laws and regulations.

Article 6 These Regulations shall first be approved by the Program Meeting and College Meeting and promulgated and implemented with the approval of the Academic Affairs Meeting. The same shall apply to the amendments thereto.
